23rd January, 1959.

Dear Sir,

M.S "RYAD"

With reference to your request made on the 21st instant to postpone the overdue port screwshaft survey, we have to-day received written confirmation from the Committee that they will not object to this inspection being deferred until July next, and stress that no further postponement beyond that date will be given.

Yours faithfully

*R. E.*

( R. Elliott ).
