Dear Norman,

With reference to previous correspondence regarding the m.v. "SNOWCEM", I have now returned from a brief spell of sick-leave, to find the Lon. Rpt. No. 114708 which you sent here. This is precisely the report required, so after endorsing it in the appropriate place I am sending it in officially in answer to the Drawing Office letter of the 10th February.

I trust this course will be satisfactory as far as you are concerned.

With kindest regards,
Yours sincerely,

N.W.Betts, Esq.,
LONDON.

N. Chambers.
