Enclosure

13th June, 1950.

Dear Sir,

I enclose a copy of a letter received from the Antwerp Surveyors relative to the Steam Trawlers "PRESIDENT F.D. ROOSEVELT" and "CAPTAIN ARSENE BLONDE", from which you will observe that the vessels have been sold to Messrs. Kholenberg & Putz of Bremerhaven.

I shall accordingly be glad if you will get in touch with the new Owners and let me know what arrangements they propose making for the Boiler Survey of the former vessel and Screwshaft Survey of the latter vessel (both of which became due at the end of January last) to be carried out.

The full name and address of the new Owners should also be furnished.

You will observe that reference is also made to the sale of the Steam Trawler "WINSTON SPENCER CHURCHILL". There are no surveys outstanding on this vessel, but I shall be glad if you will inform

P.T.O.
