QUESTION.

ANSWER.

With reference to the survey which became due at the end of last month on the main shaft, I shall be glad to learn what arrangements have been made for this inspection to take place.

At the same time I have to point out that the vessel will become due for Boiler Survey and Special Survey No 2 at the end of this and next month respectively, and you will be good enough to let me know in due course what steps are proposed to be taken with a view to these inspections being carried out.

Date:— **8th August, 1927.**

**Vessel now under survey at Kasadojima (Kobe district.).**
