Surveyors,

Reference, if any: .....

Dated 21.9.55 Received ..... Answered .....Vessel's Name: "K" Class Oil Barge "KAMARAH" ex "KARKUNAN".

We are in receipt of your letter of the 14th inst: in connection with the above named craft and note your remarks contained therein.

Our own tentative suggestion to the Owner's in this case was to fair the tank sides and fit a row of rivets right round the tank at as low a level as practicable. As this arrangement concurs with your suggestion we will inform the Owner's accordingly and make the necessary arrangement for this to be carried out.
