Dear Sirs,

I have to acquaint you that the barge "KARKUNAN" has been surveyed during construction by the Society's Surveyors at Newcastle for the assignment of freeboards to cover the vessel's service in the Persian Gulf. I, therefore, enclose a Load Line Certificate and certified copy to cover the service, for issue when the freeboards have been verified and your surveyor has satisfied himself that the ship has not suffered any damage during the voyage out from the United Kingdom.

The gross tonnage should be inserted in the certificates before issue and particulars forwarded to this office.

Yours faithfully,

pro Secretary.
