The Annual Boiler Survey became due in June

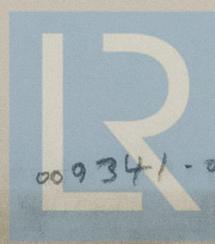

last.

In a letter, dated 6th instant, the Owners state that it has been decided not to continue the classification of the vessel in the Society's Register Book.

The case received the consideration of the Classing Committee on Tuesday, 24th instant, when it was decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
