Manchester February 5, 1923.

Dear Sirs,

With further reference to your letter of the 9th ultimo, informing me that the Classification of the 60-ton Crane as ~~A~~ is subject to the anchors being replaced on board.

In view of certain inconveniences which attend on the presence on deck of the full complement of five anchors the Company would prefer not to replace the three anchors which have been removed and to acquiesce in the Classification of the Crane being changed to ~~A~~ A.

Yours faithfully,

J. A. Ryan

Secretary.
