71, Fenchurch Street, E.C. 3.

7th September, 1926.

Dear Sir,

I beg to acknowledge the receipt of your letter of the 6th instant relative to the steamer "BULLA" and having submitted the same to the Committee at their meeting to-day I have to say the Committee will not object to the 2nd Special Survey No.2 being postponed provided it be completed before the end of April, 1927 when the year of grace allowed by the Society's Rules will expire. The main boiler furnaces will also require to be examined by the Society's Surveyors before the end of October next.

I may add that Mr. Reeckmann has called at this Office this afternoon and has been advised to the above effect.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.
