

SS 671 No 1-22
126
S.S. "BULLA".

Mr. Reeckmann called at this Office this afternoon and I informed him that the 2nd Special Survey N°2 could be postponed provided it were completed within the year of grace, i.e., before the end of April 1927. I also pointed out that the main boiler furnaces would require to be again examined before the end of October 1926.
