Limit on Main Boiler Furnaces (to be ex^d) will expire October 1926

The 2nd Special Survey No.2 of this vessel was partly held at Sydney in April last by the ranging of the cables and the examination of the rigging. The machinery requirements of the Special Survey have been complied with and a record of LMC 4,26 assigned, but the main boiler furnaces require to be again examined before the end of October, 1926.
