7th July, 1925.

Dear Sirs,

I am in receipt of your letter of the 3rd instant respecting the steam trawler "AVON" and in reply I have to say that in view of the outstanding surveys being so long overdue, the Committee consider immediate arrangements should be made for them to be dealt with and they have deferred action in the matter for a fortnight with a view to this being done. You will be so good as to point out to the Owners that if the necessary surveys are not taken in hand at once, the Committee will have no option but to deal with the vessel's class.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

GRIMSBY.
