Survey Due 2-years' limit on screwshaft (to examine) expired 7, 24.
2nd Special Survey No.1 due 7, 23 (Partly held).

To complete the 2nd Special Survey No.1, the wood deck requires to be repaired as necessary, and action in the matter was deferred by the Committee in November last as the Grimsby Surveyors stated the deck had been examined and found efficient and that they were informed the necessary repairs would be effected at the vessel's annual refit in May, 1925.

On the 28th April the Grimsby Surveyors wrote they were informed by the Owners' Representative that the vessel would be drydocked in about two months' time, when arrangements would be made for the screwshaft to be examined. In the circumstances the Grimsby Surveyors were requested to inform the Owners that

the survey of the screwshaft and the completion of the 2nd Special Survey No.1 must receive attention by the end of June in order to entitle the vessel to retain her class.

In reply to enquiry the Grimsby Surveyors write they are endeavouring to obtain a definite decision from the Owners in regard to the above matters. They add they will communicate with this Office further upon the receipt of this decision, which it is expected will be shortly.
