 2-years' limit on screwshaft (to examine) expired 7, 24.  
 2nd Special Survey No.1 due 7, 23 (Partly held).

At the beginning of November last the Committee agreed to a proposal of the Owners to have the examination of the screwshaft carried out on the occasion of the next drydocking of the vessel in April.

In reply to enquiry the Grimsby Surveyors write they are informed by the Owners' Representative that the vessel will be drydocked in about two months' time, when arrangements will be made for the screwshaft to be examined. The Surveyors add that, in their opinion, this proposal merits the favourable consideration of the Committee.
