71, Fenchurch Street, E.C. 3.

14th July, 1924.

Dear Sirs,

With reference to your report No. 13531 on the steam trawler "AVON", I shall be glad to learn what arrangements are proposed to be made for the 2nd Special Survey No.1 to be completed; also for the screw shaft to be examined, the limit on which will expire at the end of the present month.

At the same time you will be good enough to point out to the Owners that the vessel will again become due for Annual Boiler Survey at the end of August.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

GRIMSBY.
