This vessel became due for Boiler Survey in
January last.

In a letter, dated 26th ultimo, the Owners state
that as she is used as a grain elevator and only operates
in the vicinity of Limerick Docks, it is not their desire
to maintain her classification in the Society's Register
Book.

The case received the consideration of the Classing
Committee on Tuesday, 8th instant, when it was decided to
give instructions for the character to be withdrawn from
the Register Book and three dots (...) inserted in lieu
thereof, indicating withdrawal of class at Owners' request.
