Dear Sirs,

S.

I have to acknowledge the receipt of your letter of the 31st ultimo respecting the water ballast record appearing against the steamer "GONZAGA" in the 1925-26 edition of the Register Book, and in reply to your enquiry I have to say that in the new edition of the Register Book which has just been issued, the deep tank has now been recorded as 24' -670T., and this record was duly made in the posted edition of last year's Book.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

GENOA.
