

-4 FEB 1927

London No. 90907A.

s.s. "LODOLETTA".

This vessel's class was continued in 8.26 subject to the screw shaft being renewed before the end of January, 1927 and the bilge pump valve chest being renewed at the first opportunity.

The Trieste Surveyors have now received a letter from the Owners stating that for economical reasons they have decided to discontinue the vessel's class with this Society.

IT IS SUBMITTED that the vessel's class be withdrawn from the Register Book and three dots inserted in lieu thereof, indicating that the class has been withdrawn at the request of the Owners.

Withdraw class.
