Trieste, August 8th, 1921.

Via della Borsa N.º 2.

Sir,

I enclose herewith the first entry report for hull and machinery, and approved plans, of the s.s. "LODOLETTA", Messrs M.U. Linolich's No.189. I also enclose a letter from Mr. G.O.Common one from Mr.L.Stuparich, from which it will be seen that certain as still require to be dealt with to complete the machinery survey.

No provisional certificate has been issued for this vessel under the circumstances it is proposed to retain the freeboard certificates in this office in the meantime, and I shall be glad to be advised by telegram, if I may issue same. The survey fees have been applied for, but not yet paid.

I am, Dear Sir,

Yours faithfully,

G. Lemitz
