

COPY FOR LONDON OFFICE.
Lloyd's Register of Shipping.

Port of NAPLES,

27th, October 1921

This is to Certify that I have

viewed the

ss. "LODOLETTA" 610 tons gross of

sinpiccolo for damage alleged to have been sustained through
hitting against the quay wall at Naples during heavy weather
10-1921.

that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report, stating that all repairs
recommended by me have been completed to my satisfaction and

I have Recommended that she be placed in dry dock
for further examination at the Owners convenience, and before
loading another cargo be examined internally, the port hawse
be renewed and the cables examined.

fit to carry this cargo.

W. Roberts

Surveyor to Lloyd's Register.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
The Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood
that the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or
entry in the Register Book or other publication of the Society, or for any error of
omission or negligence of the Surveyors, or other Officers or Agents of the Society."

This certificate has been issued in the Italian language on the reverse side of the original.
