The Secretary,
London.

Sir,

I beg to acknowledge receipt of your letter of the 17th instant, with enclosure, respecting M. Huret's decision in regard to the classification of the trawler "MAROC".

M. Huret's residence being Bordeaux, I shall arrange to see him on the occasion of my next visit in that district where, as you know, the construction of a composite yacht will very shortly be commenced.

Meantime, I am requesting M. Milet, the Society's Surveyor at Bordeaux, to call upon M. Huret, with a view to asking him more particulars as to the reasons which have induced him to take such a decision in the present instance, and also to obtaining that this decision be suspended in view of the fact that there are no surveys outstanding on the vessel at the present time.

I am, Sir,

Your obedient Servant,
