S.S. "THOMAS LAURIE"

This vessel was built under Special Survey of this Society at Ipswich.

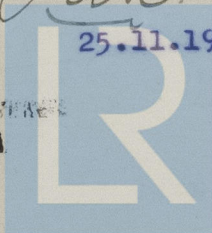

The Engines made by Messrs. Fraser & Chalmers, Erith and the boiler by Messrs. Palmers S.B. Co., were constructed and installed on board under the Supervision of the British Corporation Surveyors, and the certificate issued by them is attached hereto.

As it is provided in the Committee's circular letter dated 16th March 1918, that in such cases this Society will issue the Machinery Certificate with the notation of LMC with date in red, it is submitted this vessel is eligible for the record of LMC 11.19.
