17th October, 1927.

Mr. Mann,

I was duly favoured with your letter of the 12th instant, and have to thank you for your remarks respecting the case of the Steamer "GOUVERNEUR GENERAL ROUME", which have been carefully noted.

I may say, as regards this case, that the Owners were communicated with on the 7th instant in reference to the second Special Survey No. 3, and it is proposed to await the receipt of their reply before taking any further action in the matter.

Yours faithfully,

A. Mann, Esq.,
22, Forbes Road,
EDINBURGH.
