Extract from letter dated 4-8-27; received from _____

E. A. MANN, Esq., 22, Forbes Road, Edinburgh.

Original letter with "D" Department.

Vessel's Name S.S. "GOUVENEUR GENERAL ROUME".

Replying to your letter of 1st June, just received on my arrival in this Country, I have to advise you that all arrangements connected with the "YUNG NIN" and the "GOUVENEUR GENERAL ROUME" were made before my departure from Saigon, and you will by this time have received my Correspondence advising you of what I had done.

The arrangements I made are similar to those you have yourself made, as indicated by your enclosed letters to the Owners of these two vessels. The only matter I have to add is that the Owners of the "GOUVENEUR GENERAL ROUME" are anxious to have the survey held at Saigon if possible, and asked me to try and arrange with the Surveyor at Singapore to have a Surveyor sent up specially.

When in Singapore I had a conversation with Mr. Mathews, who is to consider the matter. Meanwhile I have asked the Owners in question to apply direct to Singapore.
