

EXTRACT FROM VALPARAISO SURVEYOR'S FORM 54 for MARCH QUARTER, 1942.

Note:- Owners of "COYHAIQUE" refuse to pay either the cable (from London) re non-payment of fees, or my reply, and as their vessel is now wrecked they have no further use for the Society, I have therefore considered it fair that the loss ^{*} should be fifty, fifty.

(Sgd.) Wm. Wallace.

* This refers to the cost of cablegrams exchanged.
The Survey Fees have been paid.
