EXTRACT FROM LETTER DATED 28.12.39 received from Vpo.

"COYHAIQUE".

Letter (F) 17th November.

The freeboard of this vessel is till 2'2 1/2" as printed in thw R.B. and Chilean Authorities state that no record of any alteration has been made by them, the figure in my report No. 1615 is an error for which I am sorry.

N.B. The figures (2'9") was taken by equivocation from a note book in which the "CHILOE" and "COYHAIQUE" figure on same page and the freeboard given is that of the former vessel.

Yours &c.....
