17th November, 1939.

Dear Sir,

F.

I have to inform you it is noted from your Rpt. 8 No. 1615, dated the 30th September, 1939, in the case of the "COYHAIQUE", that the summer freeboard is stated to be 2'9" whereas it is given in the Register Book as 2'2 $\frac{1}{2}$ ".

I shall therefore be glad if you will advise this Office whether Convention freeboards have been assigned by the Chilean Authorities and if so, you should forward particulars for record in the Register Book.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

W.Wallace, Esq.,

VALPARAISO.
