7th January, 1908.

Sir,

S. With reference to Glasgow Report No. 25970 on the machinery made by Mr. W.V.V. Lidgerwood (No. 272) and now fitted in the new steam trawler "ETHEL", I have to acquaint that the Committee at their meeting today assigned to the vessel the class 100A1 "Steam Trawler", with notations of Lloyd's A&CP, *LMC 12,07.

I am, Sir,

Your obedient servant,

Secretary

The Secretary,

GLASGOW.
