This vessel became due for Annual Boiler Survey in December last, but the Owners have now informed the Society's Surveyor at Auckland, N.Z. that it is not desired to maintain the classification of the steamer in the Society's Register Book.

In the circumstances the Classing Committee, who had the case before them on Tuesday, 1st instant, decided to give instructions for the character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
