-----  
This vessel became due for Annual Boiler Survey  
in September last and for screw shaft survey in December last.

The Owners' Representative has now informed Lloyd's  
Agents at Bathurst that it is not desired to maintain the  
classification of the vessel in the Society's Register Book,  
and in the circumstances the Classing Committee, who had the  
case before them on Tuesday, 28th instant, decided to give  
instructions for the character to be withdrawn from the  
Register Book and three dots (...) inserted in lieu thereof,  
indicating withdrawal of class at Owners' request.
