11th February, 1927.

H. Dear Sirs,

I am in receipt of your memorandum of the 3rd instant respecting the steamer "COMBO" and I may say that I await a further communication from you as to the port at which the Owners intend to have the Boiler and Screwshaft Surveys held.

I have to add that should it suit the Owners' convenience to carry out the surveys at Dakar the Committee will agree to these inspections being held by a competent and independent Surveyor, to be appointed by Lloyd's Agents at that port.

The necessary instructions in the matter are being forwarded to Lloyd's Agents at Dakar.

I am, Dear Sirs,

Yours faithfully,
