17th September, 1924.

Dear Sirs,

H. With reference to the 2nd Special Survey No.1 which became due in September 1923 on the tug "BRUTUS", I have to acquaint you that to complete this inspection the holds and bunkers require to be examined and some repairs effected in the fore peak. The machinery requirements have been complied with.

In the circumstances I shall be glad if you will ascertain and let me know, for the information of the Committee, what arrangements are now proposed to be made for the survey in question to be completed in view of the fact that the year of grace allowed by the Rules will expire at the end of the present month.

I am, Dear Sirs,

Yours faithfully,

W. J. H.
The Surveyors,
GENOA.
