LONDON

S.S. "FARUNASAN MARU".

Dear Sir,

In reply to your letter of the 26th February I have to inform you that we have taken up with the owners the question of the completion of the 2nd Special Survey No.3, but they state that the vessel is not now in Japan and request that they may be permitted to postpone the completion of this survey until October or November next when the Government Survey becomes due.

So far as her condition is concerned, I might add that, from the examination made in November last, I am of opinion that this may be granted.

I am, dear Sir,

Yours faithfully,
