Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

28th March, 1947.

Dear Sir,

RE/E.

With reference to your First Entry Report No. 191 52 on the Steamer "CORVINA", No.56022 in the Register Book, it is observed that we have not received the registered length of this vessel which was not available at the time of your Survey, but to which you refer on page 4 of your Report to the effect that the necessary information would be forwarded at the next drydocking.

As this vessel has since been drydocked at your port and no mention of the registered length is made therein, I shall be glad to learn whether this information is available and if so you should forward same without delay, in order that it may appear in the Register Book.

I am, Dear Sir,

Yours faithfully,

W. Rennie, Esq.,
BUENOS AIRES.
