LLOYD'S REGISTER OF SHIPPING,

The Secretary,
LONDON.

BUENOS AIRES.

28th April, 1947.

Dear Sir,

Register Book Correction.

"CORVINA" - No. 56022 in R.B.

"MERLUZA" - No. 78632 in R.B.

We beg to advise you that the above named vessels have changed Ownership, the particulars of new Owners being as follows, port of Registry unchanged.

New Owners - Productora de Aceite de Pescado S.R.L.
Address - Saavedra 143-Bahia Blanca - Argentine.

Managers J. C. Schenone - Agencia Maritima
Address - Diagonal R.S. Pena 720 - Buenos Aires.

It may be added that we are communicating with the New Owners concerning the Classification and overdue surveys in the case of the "CORVINA", and we will advise you in due course.

With reference to B.As. Rpt. No. 19152, Committee Rpt. 8, & subsequent correspondence concerning the Registered length of the "CORVINA", we have today ascertained from the Prefectura Maritima that their official figure is 46.85 metres (153.7') and it would therefore appear that no action has been taken to amend the obvious mistake.

Yours faithfully,

(Sgd).
