201, Tower Building,

Liverpool, 20th October, 1930

Reference

Enclosure.

Dear Mr. Ascough,

I have asked Mr. Shields to take up the question of the 15/- expenses outstanding in the case of the steam trawler "ISER" and enclose a letter received from him this morning.

In the circumstances, do you think this amount might be marked off our books.

With kind regards,

Yours faithfully,

H. C. Ascough, Esq.,

LONDON.
