Dear Mr. Ascough,

I have been trying hard to get payment of the 15/- expenses due on the "ISER" ex "ISA", as well as the outstanding fee on the same Owners Steam Trawler "CEVIC", which is a February account.

So far I have not succeeded, but have not yet given up hope. I shall have another try by telephone at the beginning of the week.

With kindest regards,

Yours faithfully,

D. M. Keith
