Dear Mr.Keith,

With reference to the case of the  
S.S."ISER" ex "ISA" which vessel received a red line  
<sup>last month</sup>  
~~yesterday~~, I see there is a small sum, viz:- 15/-,  
outstanding in respect of travelling expenses, and  
although this amount has not been outstanding for the  
statutory three months, in the circumstances, I wondered  
whether it would be possible for you to get the Owners  
to settle it without delay, and if not, whether you  
think it likely that we shall be able to get it.

With kind regards,

Yours faithfully,

D.M.Keith Esq.,

LIVERPOOL.
