Owner:- J.W. Robertson.

These vessels have been lying up in the Tyne for some time past, and the late Owners, Messrs. Stelp & Leighton, furnished the usual undertaking.

The vessels have now been sold and are at Scapa Flow, being used in connexion with the salvaging of the German Fleet.

The late Owners state that the present owner was informed of the condition under which the vessels retained their class.

2.

In the circumstances, the Classing Committee, who had the cases before them on Friday, 19th September, decided to expunge the class in each case with a red line (9.24), indicating non-compliance with the Society's Rules, and the Owner has been informed accordingly.
