VESSEL'S NAME *Teno. Concrete Barge Creditree* Rpt. *Lon.* No. *83478*

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

The Annual Survey became due 3.20.  
The London Surveyors now report the vessel  
has been examined on a fixed. Several  
cracks were observed in the Deck, but no  
water penetrates through same.

The cracks have been cleaned and coated  
with Wales Dove Bitumastic Solution.

The concrete at fore foot found slightly  
damaged by cables has been made good.

It is submitted the vessel appears worthy  
to remain as classed with fresh Record of Survey  
& notation of A. 5 Lon 5.20
