The First Special Survey No.2 of this trawler became due in May last, but the Owners have now informed the Society's Surveyors at Lisbon that, in view of the fact that the Government Authorities insist on surveying the hull and machinery, they do not consider it necessary to maintain the vessel in the Society's Classification.

In the circumstances the Classing Committee, who had the case before them on Friday, 9th instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

15th March, 1928.
