The Second Special Survey No.2 of this vessel became due in March last, but the Kobe Surveyors now state they have received a communication from the Owners intimating that it is not desired to maintain the classification of the steamer with this Society.

In the circumstances the Classing Committee, who had the case before them on Friday, 22nd instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
