The Second Special Survey No.3 of this vessel became due in March last and has been partly carried out by the examination of the fore peak and the examination and testing of No.1 D.B.tank.

The Owners have now informed the Society's Surveyors at Kobe that it is not their desire to maintain the vessel in the Society's Classification, and in the circumstances the Classing Committee, who had the case before them on Friday, 4th instant, decided to give instructions for the steamer's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

10th May, 1928.
