Due 2nd Special Survey No. 1 due 8, 25.

The Bilbao Surveyors forward a copy of a letter from the Owner in which he states that it would cause him serious loss to carry out now all the repairs required in connection with the above survey, as the vessel's engagements only allow of delays for repairs of a few days. The Owner adds, however, that after the vessel has been <sup>in port</sup> ~~lost~~ up a few times he will ask for the above survey to be carried out.

*As the Year of Grace does not expire until August of next year the Owners proposal is submitted for approval & the Bilbao Surveyors should explain to the Owner the position in regard to the Year of Grace*
