

2.

It will be seen from the attached correspondence that the classes of three of the trawlers owned by G.R. Purdy Trawlers Ltd., have been withdrawn owing to a misunderstanding of what constitutes the next survey.

The Owners are quite prepared to undertake minor surveys meantime but asked that their decision should not be implemented until they become due for Special Survey.

Under this new intimation, therefore, the classes of the "ACHES PURDY", "CHRISTANIA T. PURDY" and the "LYNNE PURDY" will need to be reinstated in the Register Book and no action should be taken for withdrawal of class of the "JUDITH PURDY" meantime.

The fifth ship, the "SARAH A. PURDY" became due for Special Survey at the end of last month, and accordingly it is proposed that the withdrawal of class by the Committee should stand.

6th June, 1950.
