6th August, 1925.

Dear Sirs,

With reference to the classification in this Society's Register Book of the hopper barges "G.W.C.11" and "G.W.C.12", I beg to acquaint you that to complete the survey of the donkey boiler in each of these cases the safety valves require to be adjusted under steam.

In the circumstances I shall be much obliged if you will kindly let me know, for the information of the Committee, what arrangements are proposed to be made for the surveys in question to be completed.

I am, Dear Sirs,

Yours faithfully,

.. Assistant to the Secretary.
