Dear Sir,

T.S.S. "MONTCALM" n.n. "WOLF"

I am in receipt of your letter of the 12th instant regarding the withdrawal of class of the above named ship.

The question of vessels classed with this Society and hitherto employed on Commissioned Naval Service, was raised in February 1946 with the Director of Sea Transport, Ministry of War Transport, who was asked to furnish his comments as to the omission of the particulars and class of these vessels from the reprint of the Register Book.

In reply it was stated that this ship was being retained as a unit of the post-war fleet either in commission or in reserve, and in view of this the Committee gave instructions on the 26th April, 1946 for the particulars of this vessel to be omitted from the 1946-47 Register Book.

Yours faithfully,

Clerk to the
Classification Committee.The Secretary,
GLASGOW, U.S.
