PORT OF

November, 1937.

Dear Sirs,

With reference to the classification in the Society's Register Book of the steamer "MONTCALM" I have to acquaint you that to complete the Machinery Survey the port turbines, gearing, shafting, lubricating oil pump, diesel generator engine in its entirety, require to be examined and the Rule requirements for electrical equipment to be carried out.

To complete the Boiler Survey the whole of the Rule requirements remain to be carried out with the exception of the examination of the safety valves and mountings of the forward P. & C. (Nos. 1 & 2) boilers.

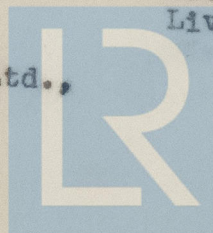

I am, Dear Sirs,

Yours faithfully,

Secretary to the  
Liverpool Committee.
