Dear Mr. Lee Annear,

With reference to your first entry report No.10134 on the turbine machinery for the twin s.s. "MONTCALM" it is observed that the total fee shown is £184.15.0.

With nominal horse power of 2390 we make the total fee £159.15.0 and the fee for your survey should therefore be  $\frac{3}{5}$ ths of this amount, namely:- £95.17.0.

Will you kindly look into this and drop me a line on the matter.

With kind regards,

Yours faithfully,

R. Lee Annear, Esq.,

BELFAST.
