Dear Sirs,

Motorship "ANGELINA MANCINO"

Your letter of the 17th instant concerning the above named vessel has received the consideration of the Committee today and they have noted that the new Owner wishes the class with this Society to be withdrawn.

My letter to you on the 8th instant gave the general position so far as this ship is concerned and, bearing in mind the defects which were reported in Genoa report No. 23716, the Committee do not feel justified in merely recording a notation of "Class withdrawn at Owners' request".

As there is no record here that these outstanding defects have received satisfactory attention, the Committee consider they have no alternative but to expunge the class owing to such defects, and I shall be obliged if you will kindly make arrangements for the Owner to be informed of this decision.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
GENOA.
